Variation Notice Issued	No		

PRODUCT DOCUMENTS / PRODUCTION READY VISIT

No Products Examined - Production Ready Visit

Authorization to use the UL Mark is contingent upon a regular countercheck of the products intended to be UL Labeled to ensure compliance to UL requirements. Since there was no completed UL Labeled production at the time of this inspection, **please notify your UL Field Representative (named on this report) as soon as the next production date or dates are known, so that a UL inspection can be conducted prior to the next shipment of UL Marked product.**

SAMPLE DOCUMENTS

If samples are required to be sent to ULI Laboratory, indicate below. If required samples are not sent, explain in the Comments area.

Type/Style/ Cat/Model	Name	Sample Tag Number	Shipped to Office
--------------------------	------	-------------------	-------------------

No Samples

Additional Comments: NO PRODUCTION

In addition to the requirements specified in the applicable UL Services agreement and Follow-Up Service Procedure, UL further defines responsibilities, duties and requirements for both manufacturers and UL representatives in the document titled "UL Mark Surveillance Requirements" that can be located at www.ul.com/fus, and in accordance with the applicable terms and conditions of the document at www.ul.com/responsibilities. Manufacturers without Internet access may obtain the current versions of these documents from their local UL customer service representative or UL field representative.
